Our Story

WELCOME TO THE TABLE!

The Table is a ministry and a sustainability business initiative of Ethnos Movement International (EMI).

EMI is an inter-denominational Christian missions organisation with a heart to bring the gospel to all nations and people.

The Table is currently used as a training ground for missionaries to be equipped in hospitality and business skills, and the income generated from The Table is used to train equip and send missionaries into the least reached communities. Our heart is also to be a ministry with local impact by providing local employment and being a centre for outreaches to those in need in our city of George.

Thank you for supporting and partnering with us.

Our hope and prayer is that The Table will be a place of hope, joy, restoration, and renewal for you!
